Project Completion Report.

About us

BGM is a registered charity and volunteer organization who strive to assist and uplift key sections of rural communities in need. We place special emphasis on education and sustainable development of basic human requirements for tribal people and rural women and children. We have been working in this field for over 25 years and have helped over 4,000 families in many rural communities across Kerala.

Mission Statement

With your time, money or resources you can have an ever lasting impact on the everyday lives of these wonderful communities in need. Together we can help build an equal, healthy and sustainable future by providing the tools they need to succeed.

Our 4 key areas of development

1. Education

Free after school education centers for children.
Environmental and social awareness classes.
Free computer training.

2. Women's empowerment

Women's self help group and centre.
Trade teaching groups; Candle making, natural detergent making, greeting card making and Sari making and decorating.
Development of rural economy through micro loan programs.

3. Water and sustainability

Water well construction.
Animal distribution.

4. Health and hygiene

Latrine construction.
Tribal Ayurvedic clinic.
Rural sanitation and hygiene projects.
Child health and nutrition training.

Report

BGM Social service centre provide with the help of Preuenemint , The Netherlnds . From [Preuenemint](#) money 1000 Euro we used for different project items for Dalit people in our area .

We are distributed eight families for eight goat . Each family one goat. This goat for after one year produce at least one more goat. This is for their morning milk, and their children . This is actually a Income generation programme for this poor people. After some years they will sale this goat for their different urgent needs. Like children education. Or pay back loan our house maintenance or remaking their home.

This for 600 euro spent.

And 100 euro for provide medicine for one patient. She is now six years laying the bed. She not married. her mother passed away three years back. Now taking care of her life is her old age father. Father is also a little mental patient. Actually their life situation is very difficult.

And the rest of the money use for our Mini micro credit group. That means this is a Women self group programme . We paid salary for six month to our field animators.

This money was very useful our project poor people. We are convey our gladly greetings to your all co workers and the Prunement director. God bless you all.

Then BGM provide to them one Toilet and provide to them some ayurvedic medicine.

With best wishes.

Thank you very much.
